1142.9 Marshal

A Civil Service peace officer position tasked with conducting City Court security, prisoner transportation to City Court and other activities as directed.

1143 Lines of Authority [CALEA 1.2.1]

1143.1 Unity of Command/Chain of Command [CALEA 11.2.1, 12.1.2 d]

The chain of command, descending from the Chief of Police and ascending from the lowest rank, shall be preserved. Members shall not bypass their appointed supervisors, except as set forth in these *General Orders*. Members shall not take matters directly to the Chief of Police or Bureau Commander unless it is a matter with which their supervisor

has no official concern. If a member of the Department believes that an immediate supervisor has made an unfair decision, that member may request that the next higher supervisor in the chain of command review the matter. Members shall be accountable to only one supervisor at any given time. Members shall have access to their supervisor readily available.

1143.2 Emergency Command [CALEA 12.1.2 b, c]

In the event of an emergency necessitating immediate action under a single unified command, all personnel and equipment of the Department shall be under the command of the Chief of Police, or in the Chief's absence, a designated Assistant Chief of Police. For these purposes, an emergency is defined as any situation that calls for an immediate decision over and above ordinary and routine police activity, in which more than one division is involved. Incident Commanders shall have functional command of all members in situations requiring personnel from different functional units.

1143.3 Absence of Commanders [CALEA 11.3.1 b]

If a Commander finds it necessary to be absent, a ranking officer shall be designated to act in that capacity. Members who are directed to act in capacities above their ordinary or usual position shall, for the necessary time, possess the authority of that position and are accountable for the appropriate use of that authority.

1143.4 Seniority

When members are working together on the same assignment or detail and are of equal rank, seniority shall not be exercised except in an emergency or when an investigation or the Department is being compromised. All members shall strive to work together in harmony and in a spirit of cooperation rather than by authority of seniority.

Seniority is determined first by rank, second by aggregate time served in rank, and third by aggregate time served on the Department.

1143.5 Authority of Commanders

Division Commanders, Section Commanders and Section Heads may establish for their respective divisions or sections, written procedures that are not in conflict with Department policies and procedures, and that have been approved by their Bureau Commander. Division Commanders, Section Commanders or Section Heads may, for emergency purposes, issue orders in deviation from Department policies and procedures. Such orders shall remain in effect only for the length of time covering such emergencies.

1143.6 Authority of Supervisors [CALEA 11.3.1 a; 11.3.2]

Supervisors shall constantly direct their efforts toward the intelligent and efficient performance of the functions of the Department and possessing the authority to do so, shall require their subordinates to do the same. They shall not regularly perform the duties assigned to a subordinate when the subordinate is available. Supervisors shall be

responsible for their own conduct and performance and for the conduct and performance of their subordinates. They shall investigate any misconduct or non-performance of duty that comes to their attention. When it is appropriate, supervisors will notify their superior or their supervisor of matters of concern.

Non-sworn employees shall not have tactical authority over sworn employees in the exercise of police power.

Supervisors may issue orders that deviate from existing orders in an emergency for the duration of the emergency. Supervisors shall immediately report to their superior any deviation from existing orders.

Supervisors shall ensure that subordinates complete all required duties and functions required of their positions. Supervisors shall be responsible for the evaluation, training and development of their subordinates. When a supervisor is absent, the supervisor shall designate a member of the next lower rank to act in that capacity. The member so designated shall have all the authority necessary to perform that assignment.

1143.7 Authority of Detectives and Police Officers [CALEA 42.1.4]

Detectives and Police Officers are responsible for carrying out the basic functions of the Department including protection of life and property, preservation of the public peace, prevention of crime, arrest of violators of the laws, and the proper enforcement of all laws and ordinances. They shall investigate all incidents assigned to them consistent with Department procedures.

1143.8 Orders [CALEA 12.1.3]

Members shall obey any lawful order of a superior including any order relayed from a superior by another member.

▪ **Issuing Orders**

Orders from a superior to a subordinate shall be in clear, understandable language, civil in tone and issued pursuant to Department business. No Commander or supervisor shall knowingly issue any order that is in violation of any law, ordinance or Department General Order, policy or procedure.

▪ **Unlawful, Unjust or Improper Orders**

Members are not required to obey any order that is contrary to law. Responsibility for refusal rests with members and they shall be required to justify their refusal. Members who are given orders that they believe to be unjust or contrary to Department *General Orders*, policies or procedures must first obey the order to the best of their ability, and then may appeal for relief. Members are required to report the receipt of unlawful or unjust orders to the Chief of Police through their chain of command.

- **Conflicting Orders**

Orders may be countermanded, or conflicting orders issued, only when necessary for the good of the Department. Upon receipt of an order in conflict with a previous order or instruction, the member affected shall advise the person issuing the second order of the conflict. Responsibility for countermanding the original order or instruction rests with the individual issuing the second order. If so directed, the latter command shall be obeyed.

1150 OTHER POSITIONS/ASSIGNMENTS [CALEA 1.2.1]

1151 Lead Police Officer

Lead Police Officers (LPO) shall direct their efforts toward the accomplishment of squad, division, bureau and Department goals. LPOs shall act as an information resource to other officers, tactically assist or direct the activities of other officers, or be assigned special area situations, calls, or projects as directed by a supervisor. LPOs may be assigned to coordinate community policing activities within patrol beats. LPOs will normally be assigned to a beat, unless otherwise assigned by a Sergeant, and will be subject to the activities and responsibilities assigned to the beat.

Supervision is not a role of Lead Police Officers; Lead Officers shall not complete or review evaluations, citizen complaints, personnel investigations, nor authorize vacation, *etc.* The LPO position carries no inherent administrative supervisory authority. If designated by a supervisor, an LPO may assume such authority just as any other officer so designated. An LPO may choose to assume incident command, absent direction from a supervisor, at a crime or other scene. Lead Police Officers may request that officers be held over on a shift providing a supervisor is advised of the situation as soon as possible. LPOs have the same authority as a sergeant to request the Crime Scene Unit or any other specialized unit.

1152 Community Service Officers

Community Service Officers (CSOs) are non-sworn Department employees who are empowered to take certain enforcement action and to conduct such investigations or other duties as directed by the Chief of Police. Authority to conduct certain types of investigations and handle related enforcement matters is vested in CSOs under Tucson City Code.

CSOs shall not engage in enforcement of criminal laws. CSOs shall summon a sworn member any time they encounter a situation beyond the scope of their authority or training.

1153 Marshals

Tucson City Marshals are sworn peace officers commissioned under the authority of Arizona Peace Officer Standards & Training (AZPOST) Board. All Marshals are accountable to the Chief of Police. For purposes of rank structure, Marshals are considered line personnel who may be directed in the same fashion as a police officer.

Marshals will perform those duties assigned them and as specified in their unit policies. The Marshals' primary responsibility shall be the transport of prisoners from the Pima County Jail to

Marshals shall attend all training as directed by their supervisors and commanders to maintain AZPOST certification.

1154 Reserve Police Officers [CALEA 1.2.2; 16.3.1]

Reserve Police Officers are unpaid sworn peace officers commissioned under the authority of AZPOST following a prescribed training program. Reserve Police Officers shall operate with the same authority as regular police officers except as is otherwise provided under law or Department *General Orders*. All Department rules apply to Reserve Officers (except where by their nature they would be inapplicable or inappropriate.)

Reserve Officers shall refrain from taking any police action while not on active duty, except as otherwise allowed for any private citizen. Exceptions to this rule are permissible only when life or property are seriously jeopardized, or when such action is necessary to aid a regularly commissioned police officer. The Reserve badge and identification card may be carried while the Reserve Officer is not on duty.

Reserve Police Officers will perform those duties assigned them and shall adhere to the policies established for the reserve program.

Reserve Officers are covered under the City of Tucson Worker's Compensation Fund while on duty based upon a starting police officer's salary.

Reserve Police Officers are not City employees and therefore are not covered by any City Civil Service rules, rights or procedures, and serve at the will and pleasure of the Chief of Police. Reserve Officers may be dismissed from service with or without cause at the discretion of the Chief of Police.

1155 Department Historian

The Department Historian shall be appointed by the Chief of Police or designee and report directly to the Chief of Staff. The Historian may be an active or retired member as determined by the Chief of Police. The Department Historian shall be responsible for the coordination, inventory and audit of all existing artifacts as well as the display of those artifacts in the Department's display cases. Due to the potential historical and financial value of Departmental artifacts strict inventory controls shall be utilized.

The Historian shall also proactively seek, identify and obtain Department artifacts, equipment, documents and other items that might have historical significance and possess public interest in the culture and history of the Department.

1160 VOLUNTEERS [CALEA 16.4.1; 16.4.2; 16.4.3]

The Police Department utilizes unpaid volunteers in a variety of roles throughout the agency. Department volunteers are subject to all rules of the agency as may be appropriate to their function and to the specific rules created for the program. The Volunteer Program is administered and coordinated through the Department's Training Division. The Training Division Commander is responsible for the creation and promulgation of suitable rules and policies for volunteer members serving the agency.
